- Send us a copy of an icon you own. The dimensions should preferably not be less than 10x15cm.
- Our Art Department will "clean" the icon whilst preserving at all times the authenticity of the icon.
- We can create a special border (like a type of "frame" around the icon) which is the same quality of the old Christian designs. For examples of these "frames" see also pages 12 and 21. If you wish, we can also incorporate your logo at the bottom of the icon.
- Before you place your order, we will provide you with samples of our work so that you can make your final decision.

If you wish, your logo can be included at the bottom of the icon
